Address: New Colony, Dewan Bazar Gorakhpur -273001

Materials:

- Whiteboard and markers
- Handouts with guided questions
- Access to philosophical texts and articles
- Online resources (e.g., videos, podcasts)
- Case studies of educational scenarios

Lesson Plan

I. Introduction (5 minutes)

- Introduce the topic and objectives
- Ask students about their prior knowledge of philosophy and education
- Discuss the relevance of philosophy to education and teaching practices

II. Direct Instruction (20 minutes)

- Provide an overview of the history of philosophy and education
- Discuss key philosophers and their views on education (e.g., Plato, Aristotle, John Dewey, Paulo Freire)
- Explain how education has shaped philosophical thought and perspectives
- Discuss the implications of philosophical perspectives for educational practices

III. Guided Practice (10 minutes)

- Distribute handouts with guided questions related to the topic
- Ask students to work in pairs or small groups to discuss and answer the questions
- Circulate around the room to facilitate discussion and provide guidance
- Use case studies to illustrate the application of philosophical perspectives to educational practices

IV. Independent Practice (10 minutes)

दीवान बाजार, गोस्वपुर (उत्तर प्रदेश)

Mobile No-+91-9076651662

Mail ID- crdpgcollege.gkp@gmail.com

Address: New Colony, Dewan Bazar Gorakhpur -273001

- Assign students to write a reflective essay on the impact of education on philosophy
- Ask them to consider the following questions:
 - How has education influenced your own philosophical perspectives?
 - What role should education play in shaping philosophical thought?
 - How can philosophical perspectives inform your teaching practices?

V. Conclusion (5 minutes)

- Have students share their essays or reflections in small groups or as a whole class
- Summarize the key points and takeaways from the lesson
- Discuss the implications of the topic for teaching practices and educational leadership

Assessment

- Participation in class discussion and activities
- Quality of written essay or reflection
- Depth of understanding demonstrated in student responses
- Application of philosophical perspectives to educational practices

Extension

- Invite a guest speaker to discuss the impact of education on philosophy
- Ask students to research and present on a specific philosopher's views on education
- Have students create a visual project (e.g., infographic, comic strip) illustrating the relationship between education and philosophy
